Chief judge Gerard Basset OBE, MW, MS; Jan Konetzki - Moët UK Sommelier of the Year 2012;  
Nick Scade, chairman, Academy of Food & Wine Service

### **Many Congratulations To Jan Konetzki, Winner Of This Year's Moët UK 'Sommelier Of The Year' Competition**

Exciting news! Jan Konetzki, head sommelier at Gordon Ramsay's flagship 3 star establishment *Restaurant Gordon Ramsay* in London, has just come first in the prestigious Moët UK 'Sommelier Of The Year' Competition.

*Restaurant Gordon Ramsay*, have been **Le Verre de Vin** customers for over 5 years now. When we spoke to Jan to congratulate him, he said...

***I totally trust our Le Verre de Vin machine, other systems that rely on alien gases to preserve wines don't really do what I want a commercial preservation system to do. The precise vacuum that Le Verre de Vin achieves each time a bottle is resealed ensures that all our open wines are kept in the best possible condition. It's reliable, efficient and most importantly it does the job it was designed to do... which is vital when our customer expectations are so high.***
